Public Trust

Public Trust is a **Fee Protect service** to save the money paid by the students to the education provider.

If the educational provider is unable to complete delivery of the course due to closure, insolvency, or other issues, the student can receive a full or partial refund of the fees through the public trust.

Fee Protect Student Acknowledgement Form

Please read this form carefully. It explains how your student fees will be protected, how your education provider will be paid and how refunds will be handled.

By signing this form I, **Mirai Kagaya** confirm I understand that:

1. My education provider has appointed Public Trust as trustee and my fees will be held by Public Trust in a trust account to comply with the requirements of the Education Act 1989 (Act). The rules for this trust account are set out in a Trust Deed a between my education provider and Public Trust;
2. My fees totalling **\$1,740.00** will be paid from the trust account to my education provider in instalments over the 3 week duration of my course in accordance with the attached payment schedule. I have signed the bottom of the payment schedule page(s) to confirm that I understand these payments;
3. Where I have paid my fees direct to my education provider, my education provider is required to transfer those fees to Public Trust and Public Trust has no responsibility for those fees until they are received into the trust account. My education provider is not an agent for Public Trust;
4. I can pay my full student fee directly to the following Public Trust bank account.

Account Name:	Public Trust
Bank and Branch:	Bank of New Zealand, North End Branch, Wellington, New Zealand
Bank Account Number:	02 0536 0305865 01
Analysis Code:	8697477

5. I agree that if my course is cancelled or my education provider closes:
(a) Public Trust will ensure that any refund due to me will be made in accordance with the Act and the current Qualifications Authority student fee protection rules;
(b) If I transfer to an alternative provider, (with the approval of the Qualifications Authority), Public Trust will pay the agreed amount from the trust to that alternative provider;
(c) If I decide not to transfer, or there is an amount remaining in the trust account after payment to the alternative provider, Public Trust will repay the amount held in trust for me to StudyLink, or directly to me, or to someone on my behalf as agreed by me;
6. If I withdraw from my course that any refund due to me will be made in accordance with the Act and my education provider's own refund policy;
7. Once the payments shown in the attached payment schedule or referred to in sections 5 and 6 above, have been paid the trust account will be closed and Public Trust's trustee duties will have been fulfilled;
8. Public Trust will collect and hold personal information about me for the purpose of managing my student fee trust account. I authorise Public Trust and my education provider to disclose the information I have provided to third parties to enable Public Trust to administer and manage the trust account and assist in their compliance with the law
